

Shepherding Groups

2025 is a year of changes for Trinity! With the retirement of Pastor Nash, it's important to know who to turn to in times of need and/or celebration. We have an amazing Board of Elders who will be there for us when the need arises. Each elder oversees a group of parishioners called Shepherding Groups. The groups are divided alphabetically, based on last names, but please feel free to call *any* of the elders when you need to speak to someone.

The elders are working and have families, so they will get back to you as soon as they can. Pastor Riley will be here Sunday's and also Wednesday evenings during Lent.

As we navigate the coming months, let's remember to continue to be a body of grace! God will work in amazing ways in and through us during this time of vacancy!

To God be the Glory!
